

## A DANCE WORKSHOP

A dance workshop was conducted for students of grade VII & VIII at TVSA Hosur. This is a step in our strife for the holistic development of children. We at TVSA strongly believe in the cognitive and emotive growth of students.

We had the famous personality Smt. Jayashree Narayanan who facilitated this workshop. An alumna of Kalashetra Chennai, she had the privilege to be guided by none other than Rukmini Devi, who was very impressed with Smt. Jayashree's performance as Kaikeyi in a dance drama and gifted her with a coral necklace.

She along with two of her students Dhivya and Kritiga (who are pursuing their studies in the field of Computers) conducted a 2 day workshop on 8th & 9th in TVSA Hosur which culminated in a performance by the students. It was preceded by a lecture demonstration followed by a performance by Dhivya & Kritiga which enthralled the children, parents & teachers. This performance and workshop has managed to instill an interest in children who are now seriously considering attending dance classes. The workshop also enabled the children to understand their culture and taste its richness.

We are indeed deeply indebted to Smt. Jayashree Narayanan and her students Dhivya and Kritiga who spent their valuable time with us, teaching and performing.
